Workshare Expectations:

- Please do not bring pets to the farm. The hens greatly appreciate your cooperation!
- Come prepared. Don't forget your water bottle, work gear, and close toed shoes.
- Let us know when you would like to come at least one week in advance.
- Work is weather permitting. If in doubt about coming, please call.
- Workers will participate in a variety of tasks, including, but not limited to: composting, shoveling, weeding, hoeing, thinning crops, planting, harvesting, washing produce, dividing shares, packaging produce, cleaning, etc.
- Children are welcome and encouraged to visit our farm; however, please realize there are inherent risks associated with children playing unsupervised on a farm. For this reason, if you plan to bring your children with you to the farm while you are fulfilling your work share commitment, please make arrangements to have a responsible person watch your children.
- Children's time "working" on the farm does not count towards their parent's weekly time requirement. This may be adjusted on an individual basis.
- The hours you specified to work on your application must be completed by the end of the season. If you cannot work those hours, you agree to return to Boerson Farm the remainder of the discount that was not worked for.
